Solar Cities Scotland is a local environmental charity and has been based at the Dundee Sun City House in Whitfield since it opened in late 2008. The Sun City House is a demonstration ECO house and has been open for public tours since then. To promote the Sun City House to the local community, Solar Cities Scotland have arranged a series of themed open afternoons. These will be held on the afternoon of the first Wednesday of every month starting in April 2013 with an energy efficiency themed afternoon attended by the Dundee Energy Efficiency Advice Project (DEEAP) staff who will be on hand to help deal with....

- Billing Problems
- Heating Demonstrations
- Energy Saving Tips
- Benefit Checks
- Low Energy Light Bulbs
- Dampness and condensation problems
- Fuel Supplier Issues
