

## **RE: Sustain Fayre – Call for submissions**

[Celebrating craft and forgotten skills]

To celebrate sustainability, Skill Share Dundee would like to invite makers of all kinds to submit proposals for workshops/stalls where work is predominately made from reused/second-hand sourced or if you feel your craft is a worthy [forgotten] skill that contributes to the theme of sustainability.

The fayre will take place on Sunday the 18<sup>th</sup> August 2013, 10am – 4pm closing a weekend of events at Skill Share Dundee.

Successful entrants will have the opportunity to sell their work and showcase their skills to invited guests and visitors of the South Dudhope Mill in Dundee city centre. In addition, works included in the fayre will be featured on the RE: Sustain websites and social media.

This opportunity is open to UK artists/makers of any age, at any stage of their career, including undergraduates. Submissions will be accepted in ANY artistic discipline. Artists/makers are allowed to submit any number of works for consideration. A non-refundable fee of £3 per artist is to be paid by successful entrants. Submissions for this fayre can be made digitally by sending JPEG images and/or a proposal via email.

Deadline for submissions: 5pm on Friday 2<sup>nd</sup> August 2013
